GEORGIA LAW FIRM ANNOUNCES NOVEMBER'S TEACHERS OF THE MONTH

The winners of the Law Offices of Shane Smith Teacher of the Month Award have been chosen. The Peachtree City law firm originally planned to award one teacher each month. However, there was such an outpouring of support for our local teachers that the firm decided to award two individuals - one from Coweta and one from Fayette.

Coweta County Local Teacher of the Month November 2014

The Coweta County teacher who is awarded the Teacher of the Month for November is Mollie Wilson, at Elm Street Elementary School, in Newnan, Georgia. Ms. Wilson teaches 2nd grade and helps each student succeed. She has taken on an opportunity to teach her students Braille. She is one of a kind.

Fayette County Local Teacher of the Month November 2014

The Fayette County Teacher of the Month is Ms. Patty Daniels. Ms. Daniels is a ESLO (English for Speakers of Other Languages) teacher pulling double duty at Bennett's Mills Middle School in Fayetteville, Georgia and Rising Star Middle School Peachtree City, Georgia. Ms. Daniels invests in her students and helps them succeed for their future. Her classes adore Ms. Daniels as much as she adores her classes.

We'd like to thank Ms. Wilson and Ms. Daniels for everything that they do for their students and our children, and for being among a select few who go above and beyond their peers and their pay grades. As a token of our gratitude for these outstanding local educators, each of these teachers received a \$200 check for school supplies and a \$25 gift card to Partner's Pizza.

To nominate a teacher please go to your school's front office to obtain a nomination form or visit www.LocalTeacherOfTheMonth.com to nominate online. You may also contact Emily Broden via telephone at (770)487-8999 or via email at emily@shanesmithlaw.com.
